Our top of the line wage and benefit package includes:

- \$30.35 an hour journeyman wage rate on every job - public and private
- \$6.22 an hour paid by your employer into the Health & Welfare fund on your behalf
- \$6.50 an hour paid by your employer into your pension plans

What this means is you and your family are covered by 100% employer paid, major medical that is completely portable from signatory contractor to signatory contractor.

And finally, it means taking home some of the top wages in the industry.

You work hard; Don't you and your family deserve the good wages and benefits and the secure future that come with union membership?
